What's Special about *Kodak* Media?

Kodak's Performance Guarantee

When you use **Kodak** Wide-Format Inkjet Media with recommended printer and ink combinations, we guarantee the output against fading, cracking and color bleeding. Check out the details on each product's Technical Information Sheet, available at www.kodak.com/go/wideformatmedia.

Exacting Quality Standards

Kodak Wide-Format Inkjet Media are designed, qualified and manufactured to stringent performance and quality standards. Each product must successfully complete a battery of more than 50 demanding tests to bear **Kodak's** name.

Examples include:

- Image quality (ink capacity, color gamut, freedom from banding or bleeding)
- Durability (lightfastness, exposure and moisture resistance)
- Ease of use (drying, handling and lamination characteristics)

From a World Leader in Color and Imaging

Kodak Wide-Format Inkjet Media

Photographic Papers

Inkjet papers from a world leader in photographic base materials.

Kodak Wide-Format Photographic Papers provide brilliant colors, consistency and exceptional durability. **Kodak** Rapid-Dry Paper's microporous media offer instant drying, with both dye and pigment ink compatibility.

Photographic Films

Vibrant colors for long lasting advertising and point of sale displays.

Kodak offers a wide range of choices for both front and back-lit applications, including self-adhesive films in glossy and satin finishes.

Coated Matte and Imposition Papers

Economical papers for short term indoor display, such as posters, signs, maps and charts. Available in three weights, all compatible with both pigment and dye inks.

Vinyls and Banners

Tear and water resistant for bold indoor and outdoor displays—ideal for banners, pennants and applications requiring contour cutting, sewing and grommeting. Both permanent and removable self-adhesive materials are available.

Photo and Fine Art

A suite of digital inkjet media including canvases, smooth and textured fine art media and photo bases inspired by Kodak's heritage of world leading papers for the darkroom. Suitable for long term display or storage and compatible with both dye and pigment inks.
