Standard Maintenance Service Terms and Conditions

Eastman Kodak Company ("Kodak") and you, the customer ("Customer") enter into these Standard Maintenance Service Terms and Conditions (the "Agreement") and agree that the terms and conditions of this Agreement will apply to the provision of services by Kodak for the products defined below located in the United States, Hawaii and Alaska (a ten percent (10%) premium applies in Alaska).

Generally, the mainframe and all components of a Product (as defined herein) that are mechanically, electronically, or remotely interconnected must be inspected, tested and adjusted as one operating unit to diagnose and correct malfunctions effectively. Therefore, if a Product is covered under an Agreement, all interconnected components of that Product must also be covered by warranty or the same level of service that is provided under this Agreement.

The term of the Agreement between Customer and Kodak shall be for one year, unless otherwise specified in writing. The terms and conditions set forth below plus the description of services and charges contained in the Kodak invoice and the provisions of the Agreement shall govern the relationship between the parties. Any additional or inconsistent terms and conditions included in the Customer's purchase orders shall be deemed null and void and of no effect.

1 Products. Products covered by this Agreement are commercial office equipment manufactured by Eastman Kodak Company ("Kodak Products") or by Other Manufacturers ("OEM Products" and together with the Kodak Products, the "Products"), non-make or model specific, used by customers in an office environment.

Kodak reserves the right to inspect the Products and site installation to confirm that Products meet those conditions. At Kodak's discretion, the inspection and any repairs necessary to bring the Products up to those conditions shall be treated as Per-Call Service.
